## A BRIEF HISTORY OF THE LADY FLORENCE

Built in 1944 as an Admiralty MFV supply boat, the Lady Florence oozes character and history. With capacity to host up to 12 passengers, the Lady Florence cruises an area rich in both wildlife and history. She offers plenty of space on deck to enjoy the calm waters of the Rivers Alde and Ore during the summer months, as well as a cosy coal fire in the saloon for quieter, more serene winter trips.

### BRUNCH CRUISES

Enjoy a full cooked breakfast, hot muffins and home-made apple pie with cream whilst cruising along the picturesque Rivers Alde and Ore. For special celebrations, champagne or sparkling wine is available from £23.95 per bottle.

### LUNCH & SUPPER CRUISES

Enjoy a delicious a la carte menu whilst cruising up river within sight of Aldeburgh and progressing along the entire 10-mile length of the National Trust Orford Ness Conservation Area. As you relax with drinks, your meal is freshly prepared on board using produce from some of Suffolk's finest local suppliers.

Our fully stocked bar includes a carefully chosen selection of South African wines imported exclusively for the Lady Florence.

The Lady Florence has a sister ship, the Allen Gardiner cruising from Ipswich, which is also available for river cruise dining.
